

## ATTUNEMENT

P.229 - §3 When a bestowal Son has mastered the experience of living the mortal life, when he has achieved perfection of attunement with his indwelling Adjuster, thereupon he begins that part of his planetary mission designed to illuminate the minds and to inspire the souls of his brethren in the flesh. As teachers, these Sons are exclusively devoted to the spiritual enlightenment of the mortal races on the worlds of their sojourn.

P.437 - §5 In the more advanced epochs of planetary evolution these seraphim are instrumental in supplanting the atonement idea by the concept of divine attunement as a philosophy of mortal survival.

P.499 - §11 7. The music of space--by proper attunement the melodies of other spheres can be picked up on the universe broadcast circuits.

P.1096 - §2 Actual spiritual status is the measure of Deity attainment, Adjuster attunement. The achievement of finality of spirituality is equivalent to the attainment of the maximum of reality, the maximum of Godlikeness. Eternal life is the endless quest for infinite values.

P.1204 - §4 Today you are passing through the period of the courtship of your Adjuster; and if you only prove faithful to the trust reposed in you by the divine spirit who seeks your mind and soul in eternal union, there will eventually ensue that morontia oneness, that supernal harmony, that cosmic co-ordination, that divine attunement, that celestial fusion, that never-ending blending of identity, that oneness of being which is so perfect and final that even the most experienced personalities can never segregate or recognize as separate identities the fusion partners--mortal man and divine Adjuster.

P.1205 - §3 You as a personal creature have mind and will. The Adjuster as a prepersonal creature has premind and prewill. If you so fully conform to the Adjuster's mind that you see eye to eye, then your minds become one, and you receive the reinforcement of the Adjuster's mind. Subsequently, if your will orders and enforces the execution of the decisions of this new or combined mind, the Adjuster's prepersonal will attains to personality expression through your decision, and as far as that particular project is concerned, you and the Adjuster are one. Your mind has attained to divinity attunement, and the Adjuster's will has achieved personality expression.

P.1209 - §3 The psychic circles are not exclusively intellectual, neither are they wholly morontial; they have to do with personality status, mind attainment, soul growth, and Adjuster attunement. The successful traversal of these levels demands the harmonious functioning of the entire personality, not merely of some one phase thereof. The growth of the parts does not equal the true maturation of the whole; the parts really grow in proportion to the expansion of the entire self--the whole self--material, intellectual, and spiritual.

P.1209 - §5 The Adjusters are always near you and of you, but rarely can they speak directly, as another being, to you. Circle by circle your intellectual decisions, moral choosings, and spiritual development add to the ability of the Adjuster to function in your mind; circle by circle you

thereby ascend from the lower stages of Adjuster association and mind attunement, so that the Adjuster is increasingly enabled to register his picturizations of destiny with augmenting vividness and conviction upon the evolving consciousness of this God-seeking mind-soul.

P.1210 - §3 1. Adjuster attunement. The spiritizing mind nears the Adjuster presence proportional to circle attainment.

P.1212 - §2 The achievement of the seven cosmic circles does not equal Adjuster fusion. There are many mortals living on Urantia who have attained their circles; but fusion depends on yet other greater and more sublime spiritual achievements, upon the attainment of a final and complete attunement of the mortal will with the will of God as it is resident in the Thought Adjuster.

P.1238 - §1 On the evolutionary worlds, selfhood is material; it is a thing in the universe and as such is subject to the laws of material existence. It is a fact in time and is responsive to the vicissitudes thereof. Survival decisions must here be formulated. In the morontia state the self has become a new and more enduring universe reality, and its continuing growth is predicated on its increasing attunement to the mind and spirit circuits of the universes. Survival decisions are now being confirmed. When the self attains the spiritual level, it has become a secure value in the universe, and this new value is predicated upon the fact that survival decisions have been made, which fact has been witnessed by eternal fusion with the Thought Adjuster. And having achieved the status of a true universe value, the creature becomes liberated in potential for the seeking of the highest universe value--God.

P.1493 - §3 Jesus spent the last three weeks of August and the first three weeks of September on Mount Hermon. During these weeks he finished the mortal task of achieving the circles of mind-understanding and personality-control. Throughout this period of communion with his heavenly Father the indwelling Adjuster also completed the assigned services. The mortal goal of this earth creature was there attained. Only the final phase of mind and Adjuster attunement remained to be consummated.
