

## CONFUSED PLANET/WORLD

P.409 - §1 Do you grasp the significance of the fact that your lowly and confused planet has become a divisional headquarters for the universe administration and direction of certain archangel activities having to do with the Paradise ascension scheme? This undoubtedly presages the future concentration of other ascendant activities on the bestowal world of Michael and lends a tremendous and solemn import to the Master's personal promise, "I will come again."

P.553 - §3 2. *Racial Interpreters*. All races of mortal beings are not alike. True, there is a planetary pattern running through the physical, mental, and spiritual natures and tendencies of the various races of a given world; but there are also distinct racial types, and very definite social tendencies characterize the offspring of these different basic types of human beings. On the worlds of time the seraphic racial interpreters further the efforts of the race commissioners to harmonize the varied viewpoints of the races, and they continue to function on the mansion worlds, where these same differences tend to persist in a measure. On a confused planet, such as Urantia, these brilliant beings have hardly had a fair opportunity to function, but they are the skillful sociologists and the wise ethnic advisers of the first heaven.

P.597 - §3 Even on normal evolutionary worlds the realization of the world-wide brotherhood of man is not an easy accomplishment. On a confused and disordered planet like Urantia such an achievement requires a much longer time and necessitates far greater effort. Unaided social evolution can hardly achieve such happy results on a spiritually isolated sphere. Religious revelation is essential to the realization of brotherhood on Urantia. While Jesus has shown the way to the immediate attainment of spiritual brotherhood, the realization of social brotherhood on your world depends much on the achievement of the following personal transformations and planetary adjustments:

1. *Social fraternity*. Multiplication of international and interracial social contacts and fraternal associations through travel, commerce, and competitive play. Development of a common language and the multiplication of multilinguists. The racial and national interchange of students, teachers, industrialists, and religious philosophers.

2. *Intellectual cross-fertilization*. Brotherhood is impossible on a world whose inhabitants are so primitive that they fail to recognize the folly of unmitigated selfishness. There must occur an exchange of national and racial literature. Each race must become familiar with the thought of all races; each nation must know the feelings of all nations. Ignorance breeds suspicion, and suspicion is incompatible with the essential attitude of sympathy and love.

3. *Ethical awakening*. Only ethical consciousness can unmask the immorality of human intolerance and the sinfulness of fratricidal strife. Only a moral conscience can condemn the evils of national envy and racial jealousy. Only moral beings will ever seek for that spiritual insight which is essential to living the golden rule.

4. *Political wisdom*. Emotional maturity is essential to self-control. Only emotional maturity will insure the substitution of international techniques of civilized adjudication for the barbarous arbitrament of war. Wise statesmen will sometime work

for the welfare of humanity even while they strive to promote the interest of their national or racial groups. Selfish political sagacity is ultimately suicidal--destructive of all those enduring qualities which insure planetary group survival.

5. *Spiritual insight.* The brotherhood of man is, after all, predicated on the recognition of the fatherhood of God. The quickest way to realize the brotherhood of man on Urantia is to effect the spiritual transformation of present-day humanity. The only technique for accelerating the natural trend of social evolution is that of applying spiritual pressure from above, thus augmenting moral insight while enhancing the soul capacity of every mortal to understand and love every other mortal. Mutual understanding and fraternal love are transcendent civilizers and mighty factors in the world-wide realization of the brotherhood of man.

P.598 - §3 If you could be transplanted from your backward and confused world to some normal planet now in the postbestowal Son age, you would think you had been translated to the heaven of your traditions. You would hardly believe that you were observing the normal evolutionary workings of a mortal sphere of human habitation. These worlds are in the spiritual circuits of their realm, and they enjoy all the advantages of the universe broadcasts and the reflectivity services of the superuniverse.

P.846 - §3 In estimating the results of the Adamic mission on your world, justice demands the recognition of the condition of the planet. Adam was confronted with a well-nigh hopeless task when, with his beautiful mate, he was transported from Jerusalem to this dark and confused planet. But had they been guided by the counsel of the Melchizedeks and their associates, and had they been more patient, they would have eventually met with success. But Eve listened to the insidious propaganda of personal liberty and planetary freedom of action. She was led to experiment with the life plasm of the material order of sonship in that she allowed this life trust to become prematurely commingled with that of the then mixed order of the original design of the Life Carriers which had been previously combined with that of the reproducing beings once attached to the staff of the Planetary Prince.

P.1189 - §2 "Now to you, superiors far above me, I come as one placed in temporary authority over the experimental planetary series; and I come to express admiration and profound respect for this magnificent group of celestial ministers, the Mystery Monitors, who have volunteered to serve on this irregular sphere. No matter how trying the crises, you never falter. Not on the records of Nebadon nor before the commissions of Orvonton has there ever been offered an indictment of a divine Adjuster. You have been true to your trusts; you have been divinely faithful. You have helped to adjust the mistakes and to compensate for the shortcomings of all who labor on this confused planet. You are marvelous beings, guardians of the good in the souls of this backward realm. I pay you respect even while you are apparently under my jurisdiction as volunteer ministers. I bow before you in humble recognition of your exquisite unselfishness, your understanding ministry, and your impartial devotion. You deserve the name of the Godlike servers of the mortal inhabitants of this strife-torn, grief-stricken, and disease-afflicted world. I honor you! I all but worship you!"
