

THE HOLY SPIRIT

P.95 - §6 In your sacred writings the term *Spirit of God* seems to be used interchangeably to designate both the Infinite Spirit on Paradise and the Creative Spirit of your local universe. The Holy Spirit is the spiritual circuit of this Creative Daughter of the Paradise Infinite Spirit. The Holy Spirit is a circuit indigenous to each local universe and is confined to the spiritual realm of that creation; but the Infinite Spirit is omnipresent.

P.100 - §7 The presence of the universal spirit of the Eternal Son we *know*--we can unmistakably recognize it. The presence of the Infinite Spirit, the Third Person of Deity, even mortal man may know, for material creatures can actually experience the beneficence of this divine influence which functions as the Holy Spirit of local universe bestowal upon the races of mankind. Human beings can also in some degree become conscious of the Adjuster, the impersonal presence of the Universal Father. These divine spirits which work for man's uplifting and spiritualization all act in unison and in perfect co-operation. They are as one in the spiritual operation of the plans of mortal ascension and perfection attainment.

P.177 - §12 2. The circuit of the Divine Ministers, the local universe Mother Spirits, the Holy Spirit of your world.

P.190 - §7 5. The bestowal of the ministry spirit of a local universe Creative Spirit, known on Urantia as the Holy Spirit.

P.313 - §4 So it is with mortal man: The Mother Spirit of Salvington knows you fully, for the Holy Spirit on your world "searches all things," and whatsoever the divine Spirit knows of you is immediately available whenever the seeraphic discerners reflect with the Spirit concerning the Spirit's knowledge of you. It should, however, be mentioned that the knowledge and plans of the Father fragments are not reflectible. The discerners can and do reflect the presence of the Adjusters (and the Censors pronounce them divine), but they cannot decipher the content of the mindedness of the Mystery Monitors.

P.377 - §7 2. The spirit circuit of the Divine Minister, the Holy Spirit.

P.378 - §1 The Universe Mother Spirit, however, never leaves the local universe headquarters world. The spirit of the Creator Son may and does function independently of the personal presence of the Son, but not so with her personal spirit. The Holy Spirit of the Divine Minister would become nonfunctional if her personal presence should be removed from Salvington. Her spirit presence seems to be fixed on the universe headquarters world, and it is this very fact that enables the spirit of the Creator Son to function independently of the whereabouts of the Son. The Universe Mother Spirit acts as the universe focus and center of the Spirit of Truth as well as of her own personal influence, the Holy Spirit.

P.379 - §4 When mind is thus endowed with the ministry of the Holy Spirit, it possesses the capacity for (consciously or unconsciously) choosing the spiritual presence of the Universal Father--the Thought Adjuster. But it is not until a bestowal Son has liberated the Spirit of Truth for planetary ministry to all mortals that all normal minds are automatically prepared for the

reception of the Thought Adjusters. The Spirit of Truth works as one with the presence of the spirit of the Divine Minister. This dual spirit liaison hovers over the worlds, seeking to teach truth and to spiritually enlighten the minds of men, to inspire the souls of the creatures of the ascending races, and to lead the peoples dwelling on the evolutionary planets ever towards their Paradise goal of divine destiny.

P.379 - §5 Though the Spirit of Truth is poured out upon all flesh, this spirit of the Son is almost wholly limited in function and power by man's personal reception of that which constitutes the sum and substance of the mission of the bestowal Son. The Holy Spirit is partly independent of human attitude and partially conditioned by the decisions and co-operation of the will of man. Nevertheless, the ministry of the Holy Spirit becomes increasingly effective in the sanctification and spiritualization of the inner life of those mortals who the more fully *obey* the divine leadings.

P.380 - §1 The presence of the Holy Spirit of the Universe Daughter of the Infinite Spirit, of the Spirit of Truth of the Universe Son of the Eternal Son, and of the Adjuster-spirit of the Paradise Father in or with an evolutionary mortal, denotes symmetry of spiritual endowment and ministry and qualifies such a mortal consciously to realize the faith-fact of sonship with God.

P.380 - §7 The dead theory of even the highest religious doctrines is powerless to transform human character or to control mortal behavior. What the world of today needs is the truth which your teacher of old declared: "Not in word only but also in power and in the Holy Spirit." The seed of theoretical truth is dead, the highest moral concepts without effect, unless and until the divine Spirit breathes upon the forms of truth and quickens the formulas of righteousness.

P.381 - §7 The consciousness of the spirit domination of a human life is presently attended by an increasing exhibition of the characteristics of the Spirit in the life reactions of such a spirit-led mortal, "for the fruits of the spirit are love, joy, peace, long-suffering, gentleness, goodness, faith, meekness, and temperance." Such spirit-guided and divinely illuminated mortals, while they yet tread the lowly paths of toil and in human faithfulness perform the duties of their earthly assignments, have already begun to discern the lights of eternal life as they glimmer on the faraway shores of another world; already have they begun to comprehend the reality of that inspiring and comforting truth, "The kingdom of God is not meat and drink but righteousness, peace, and joy in the Holy Spirit." And throughout every trial and in the presence of every hardship, spirit-born souls are sustained by that hope which transcends all fear because the love of God is shed abroad in all hearts by the presence of the divine Spirit.

P.403 - §4 The adjutant mind-spirits are in no manner directly related to the diverse and highly spiritual function of the spirit of the personal presence of the Divine Minister, the Holy Spirit of the inhabited worlds; but they are functionally antecedent to, and preparatory for, the appearance of this very spirit in evolutionary man. The adjutants afford the Universe Mother Spirit a varied contact with, and control over, the material living creatures of a local universe, but they do not repercuss in the Supreme Being when acting on prepersonality levels.

P.630 - §7 The Adjusters continue to come as in former evolutionary eras, and as the epochs pass, these mortals are increasingly able to commune with the indwelling Father fragment. During the embryonic and prespiritual stages of development the adjutant mind-spirits are still

functioning. The Holy Spirit and the ministry of angels are even more effective as the successive epochs of settled life are experienced. In the fourth stage of light and life the advanced mortals seem to experience considerable conscious contact with the spirit presence of the Master Spirit of superuniverse jurisdiction, while the philosophy of such a world is focused upon the attempt to comprehend the new revelations of God the Supreme. More than one half of the human inhabitants on planets of this advanced status experience translation to the morontia state from among the living. Even so, "old things are passing away; behold, all things are becoming new."

P.639 - §3 No matter on what level of universe activities you may encounter spiritual phenomena or contact with spirit beings, you may know that they are all derived from the God who is spirit by the ministry of the Spirit Son and the Infinite Mind Spirit. And this far-flung spirit functions as a phenomenon on the evolutionary worlds of time as it is directed from the headquarters of the local universes. From these capitals of the Creator Sons come the Holy Spirit and the Spirit of Truth, together with the ministry of the adjutant mind-spirits, to the lower and evolving levels of material minds.

P.955 - §1 Primitive men thought that the soul was associated with the breath, and that its qualities could be imparted or transferred by the breath. The brave chief would breathe upon the newborn child, thereby imparting courage. Among early Christians the ceremony of bestowing the Holy Spirit was accompanied by breathing on the candidates. Said the Psalmist: "By the word of the Lord were the heavens made and all the host of them by the breath of his mouth." It was long the custom of the eldest son to try to catch the last breath of his dying father.

P.1003 - §4 3. *The Holy Spirit*--this is the initial supermind bestowal, and it unfailingly appears in all bona fide human personalities. This ministry to a worship-craving and wisdom-desiring mind creates the capacity to self-realize the postulate of human survival, both in theologic concept and as an actual and factual personality experience.

P.1107 - §2 Revelation as an epochal phenomenon is periodic; as a personal human experience it is continuous. Divinity functions in mortal personality as the Adjuster gift of the Father, as the Spirit of Truth of the Son, and as the Holy Spirit of the Universe Spirit, while these three supermortal endowments are unified in human experiential evolution as the ministry of the Supreme.

P.1108 - §1 Faith-insight, or spiritual intuition, is the endowment of the cosmic mind in association with the Thought Adjuster, which is the Father's gift to man. Spiritual reason, soul intelligence, is the endowment of the Holy Spirit, the Creative Spirit's gift to man. Spiritual philosophy, the wisdom of spirit realities, is the endowment of the Spirit of Truth, the combined gift of the bestowal Sons to the children of men. And the co-ordination and interassociation of these spirit endowments constitute man a spirit personality in potential destiny.

P.1129 - §1 All of man's truly religious reactions are sponsored by the early ministry of the adjutant of worship and are censored by the adjutant of wisdom. Man's first supermind endowment is that of personality encirclement in the Holy Spirit of the Universe Creative Spirit; and long before either the bestowals of the divine Sons or the universal bestowal of the Adjusters, this influence functions to enlarge man's viewpoint of ethics, religion, and spirituality.

Subsequent to the bestowals of the Paradise Sons the liberated Spirit of Truth makes mighty contributions to the enlargement of the human capacity to perceive religious truths. As evolution advances on an inhabited world, the Thought Adjusters increasingly participate in the development of the higher types of human religious insight. The Thought Adjuster is the cosmic window through which the finite creature may faith-glimpse the certainties and divinities of limitless Deity, the Universal Father.

P.1144 - §3 The Buddhist faith developed two doctrines of a trinitarian nature: The earlier was Teacher, Law, and Brotherhood; that was the presentation made by Gautama Siddhartha. The later idea, developing among the northern branch of the followers of Buddha, embraced Supreme Lord, Holy Spirit, and Incarnate Savior.

P.1187 - §1 The Adjusters cannot invade the mortal mind until it has been duly prepared by the indwelling ministry of the adjutant mind-spirits and encircuited in the Holy Spirit. And it requires the co-ordinate function of all seven adjutants to thus qualify the human mind for the reception of an Adjuster. Creature mind must exhibit the worship outreach and indicate wisdom function by exhibiting the ability to choose between the emerging values of good and evil--moral choice.

P.1190 - §4 Thought Adjusters appear to come and go quite independent of any and all other spiritual presences; they seem to function in accordance with universe laws quite apart from those which govern and control the performances of all other spirit influences. But regardless of such apparent independence, long-range observation unquestionably discloses that they function in the human mind in perfect synchrony and co-ordination with all other spirit ministries, including adjutant mind-spirits, Holy Spirit, Spirit of Truth, and other influences.

P.1210 - §8 *The seventh circle.* This level is entered when human beings develop the powers of personal choice, individual decision, moral responsibility, and the capacity for the attainment of spiritual individuality. This signifies the united function of the seven adjutant mind-spirits under the direction of the spirit of wisdom, the encircuited mortal creature in the influence of the Holy Spirit, and, on Urantia, the first functioning of the Spirit of Truth, together with the reception of a Thought Adjuster in the mortal mind. Entrance upon the seventh circle constitutes a mortal creature a truly potential citizen of the local universe.

P.1244 - §3 More especially can and does this seraphic guardian correlate the manifold agencies and influences of the Infinite Spirit, ranging from the domains of the physical controllers and the adjutant mind-spirits up to the Holy Spirit of the Divine Minister and to the Omnipresent Spirit presence of the Paradise Third Source and Center. Having thus unified and made more personal these vast ministries of the Infinite Spirit, the seraphim then undertakes to correlate this integrated influence of the Conjoint Actor with the spirit presences of the Father and the Son.

P.1245 - §6 The ministering personality of the guardian seraphim, the God presence of the indwelling Adjuster, the encircuited action of the Holy Spirit, and the Son-consciousness of the Spirit of Truth are all divinely correlated into a meaningful unity of spiritual ministry in and to a mortal personality. Though hailing from different sources and different levels, these celestial influences are all integrated in the enveloping and evolving presence of the Supreme Being.

P.1286 - §6 And so it is with the spiritual circuits: Man utilizes these in his ascent through the universes, but he never possesses them as a part of his eternal personality. But these circuits of spiritual ministry, whether Spirit of Truth, Holy Spirit, or superuniverse spirit presences, are receptive and reactive to the emerging values in ascending personality, and these values are faithfully transmitted through the Sevenfold to the Supreme.

P.1286 - §7 While such spiritual influences as the Holy Spirit and the Spirit of Truth are local universe ministrations, their guidance is not wholly confined to the geographic limitations of a given local creation. As the ascending mortal passes beyond the boundaries of his local universe of origin, he is not entirely deprived of the ministry of the Spirit of Truth which has so constantly taught and guided him through the philosophic mazes of the material and morontial worlds, in every crisis of ascension unfailingly directing the Paradise pilgrim, ever saying: "This is the way." When you leave the domains of the local universe, through the ministry of the spirit of the emerging Supreme Being and through the provisions of superuniverse reflectivity, you will still be guided in your Paradise ascent by the comforting directive spirit of the Paradise bestowal Sons of God.

P.1287 - §1 How do these manifold circuits of cosmic ministry register the meanings, values, and facts of evolutionary experience in the Supreme? We are not exactly certain, but we believe that this registry takes place through the persons of the Supreme Creators of Paradise origin who are the immediate bestowers of these circuits of time and space. The mind-experience accumulations of the seven adjutant mind-spirits, in their ministry to the physical level of intellect, are a part of the local universe experience of the Divine Minister, and through this Creative Spirit they probably find registry in the mind of Supremacy. Likewise are mortal experiences with the Spirit of Truth and the Holy Spirit probably registered by similar techniques in the person of Supremacy.

P.1503 - §2 As John journeyed north, he thought much about Jesus. He paused at more than a dozen places as he traveled up the Jordan. It was at Adam that he first made reference to "another one who is to come after me" in answer to the direct question which his disciples asked him, "Are you the Messiah?" And he went on to say: "There will come after me one who is greater than I, whose sandal straps I am not worthy to stoop down and unloose. I baptize you with water, but he will baptize you with the Holy Spirit. And his shovel is in his hand thoroughly to cleanse his threshing floor; he will gather the wheat into his garner, but the chaff will he burn up with the judgment fire."

P.1505 - §4 About three weeks after Jesus had left them, there arrived on the scene at Pella a new deputation from the priests and Pharisees at Jerusalem. They asked John directly if he was Elijah or the prophet that Moses promised; and when John said, "I am not," they made bold to ask, "Are you the Messiah?" and John answered, "I am not." Then said these men from Jerusalem: "If you are not Elijah, nor the prophet, nor the Messiah, then why do you baptize the people and create all this stir?" And John replied: "It should be for those who have heard me and received my baptism to say who I am, but I declare to you that, while I baptize with water, there has been among us one who will return to baptize you with the Holy Spirit."

P.1505 - §7 It was early on the morning of Sabbath, February 23, that the company of John, engaged in eating their morning meal, looked up toward the north and beheld Jesus coming to them. As he approached them, John stood upon a large rock and, lifting up his sonorous voice, said: "Behold the Son of God, the deliverer of the world! This is he of whom I have said, 'After me there will come one who is preferred before me because he was before me.' For this cause came I out of the wilderness to preach repentance and to baptize with water, proclaiming that the kingdom of heaven is at hand. And now comes one who shall baptize you with the Holy Spirit. And I beheld the divine spirit descending upon this man, and I heard the voice of God declare, 'This is my beloved Son in whom I am well pleased.'"

P.1536 - §6 "Be not deceived by those who come saying here is the kingdom or there is the kingdom, for my Father's kingdom concerns not things visible and material. And this kingdom is even now among you, for where the spirit of God teaches and leads the soul of man, there in reality is the kingdom of heaven. And this kingdom of God is righteousness, peace, and joy in the Holy Spirit.

P.1536 - §7 "John did indeed baptize you in token of repentance and for the remission of your sins, but when you enter the heavenly kingdom, you will be baptized with the Holy Spirit.

P.1542 - §3 When they had refreshed themselves, Jesus took the twelve apart for a season to pray with them and to instruct them in the nature and work of the Holy Spirit, but again did they largely fail to comprehend the meaning of those wonderful truths which he endeavored to teach them. One would grasp one point and one would comprehend another, but none of them could encompass the whole of his teaching. Always would they make the mistake of trying to fit Jesus' new gospel into their old forms of religious belief. They could not grasp the idea that Jesus had come to proclaim a new gospel of salvation and to establish a new way of finding God; they did not perceive that he was a new revelation of the Father in heaven.

P.2061 - §9 Since the bestowal of the Spirit of Truth, man is subject to the teaching and guidance of a threefold spirit endowment: the spirit of the Father, the Thought Adjuster; the spirit of the Son, the Spirit of Truth; the spirit of the Spirit, the Holy Spirit.

P.2062 - §6 5. The spirit of the Infinite Spirit and the Universe Mother Spirit--the Holy Spirit, generally regarded as the spirit of the Universe Spirit.

P.2067 - §4 At first they baptized in the name of Jesus; it was almost twenty years before they began to baptize in "the name of the Father, the Son, and the Holy Spirit." Baptism was all that was required for admission into the fellowship of believers. They had no organization as yet; it was simply the Jesus brotherhood.
