

THE PERSONAL, PRIVATE AND LIVING REVELATION OF JESUS TO THE INDIVIDUAL

SEPTEMBER 25TH TO 27TH, 2009

HILTON GARDEN INN
CHESTERTON, INDIANA

You are cordially invited to attend GLMUA's Third Annual Fall Study Session in Chesterton, Indiana at the Hilton Garden Inn, the weekend of September 25th - 27th, 2009. The program includes an informal social gathering on Friday Night with morning meditations preceding a full day session on Saturday and a half day on Sunday.

We are especially pleased to announce that Urantia Association of the United States will convene The Council of Local Presidents and Vice Presidents Annual Meeting just prior to the Fall Study Session, the afternoon of September 25th, 2009 at the Hilton Garden Inn. Those in attendance are welcome to observe the UAUS CLP meeting.

The Conference Committee and Governing Board of GLMUA extend a special invitation to all UAUS CLP members to join in our Fall Study Session with this year's theme: "*The Personal, Private and Living Revelation of Jesus to the Individual.*" We will draw our living conference source material from Jesus' teachings directed at the individual. We will include related source material from all parts of the revelation and conclude the Fall Study Session with an examination of specific excerpts from: "The Faith of Jesus." Facilitators and Participants will offer their personal experiences for the benefit and inspiration of all in attendance.

This is the third in a series of Fall Study Sessions which began with: "*The Revelation Within Us*" and continued with "*The Revelation Within Society*" and will conclude in "*The Personal, Private and Living Revelation of Jesus to the Individual.*" We hope to continue this three year cycle with enhanced study techniques as we move into the future. Please save the date and plan to join us for this living conference experience where each participant shares in the establishment and development of the theme. We will use a collection of quotes to direct the focus of questions and concepts put forth by the conference facilitators.

Discussions of how Jesus met the difficulties thrust upon his family occasioned by the untimely death of his father, the way in which he planned and implemented his eventual departure from his family's day to day living, as well as his self discipline in study and investigations into how men live will find expression. An underlying theme; exploring his dedication and implementation of slow and careful planning prior to the public work will be examined complete with ramifications of concern to the Fifth Epochal Revelation today.

Please save these dates and plan to attend. Information on schedule, accommodations and fees are noted below. We look forward to your involvement and participation in this living conference experience.

The Fall Study Session begins on Friday evening with registration from 4-9 p.m. There will be informal social time on Friday Night, refreshments provided, with dinner arrangements to be announced. The quotes below are given to stimulate preparations for attendance to this year's Fall Study Session. Please take some time to review *The Urantia Book* with respect to our topic. We encourage all attendees to bring a story of personal experience inspired by our theme. Looking forward to seeing you in late September when we open our hearts and minds to *The Personal, Private and Living Revelation of Jesus to the Individual*.

P. 21:03 - The transcendent goal of the children of time is to find the eternal God, to comprehend the divine nature, to recognize the Universal Father.

P. 67:03-06 - The religion of Jesus is salvation from self, deliverance from the evils of creature isolation in time and in eternity.

Jesus revealed a God of love, and love is all-embracing of truth, beauty, and goodness.

Jesus lived a religion of service. Religion is destined to become the reality of the spiritual unification of all that is good, beautiful, and true in human experience.

Jesus proclaimed the good news of "knowing God, and yourself as a son of God."

P. 447:04 - As to the chances of mortal survival, let it be made forever clear: All souls of every possible phase of mortal existence will survive provided they manifest willingness to co-operate with their indwelling Adjusters and

exhibit a desire to find God and to attain divine perfection, even though these desires be but the first faint flickers of the primitive comprehension of that "true light which lights every man who comes into the world."

P. 454:02 - The Father loves each of his sons, and that affection is not less than true, holy, divine, unlimited, eternal, and unique--a love bestowed upon this son and upon that son, individually, personally, and exclusively. And such a love utterly eclipses all other facts. Sonship is the supreme relationship of the creature to the Creator.

P. 1128:02 - Religion is ever and always rooted and grounded in personal experience. And your highest religion, the life of Jesus, was just such a personal experience: man, mortal man, seeking God and finding him to the fullness during one short life in the flesh, while in the same human experience there appeared God seeking man and finding him to the full satisfaction of the perfect soul of infinite supremacy. And that is religion, even the highest yet revealed in the universe of Nebadon--the earth life of Jesus of Nazareth.

P. 1944:03 - Soon you will seek for me, but you will not find me, for I am going to a place to which you cannot, at this time, come. But when you have finished your work on earth as I have now finished mine, you shall then come to me even as I now prepare to go to my Father.
